talkBACK

E-Newsletter, Vol. 1, Issue 2, JANUARY 2019

Principal's Message

"Let us remember the golden heritage of our country and feel proud to be a part of India.

HAPPY REPUBLIC DAY"

26th JANUARY is the day when Constitution of India came into existence and we keep on celebrating it every year as Indian Republic Day. On this day I feel proud to bring out second issue of "talkBACK" e-Newsletter of SSDWIT for session 2018-19. I wish to record my hearty congratulations to those who have brought laurels to the institution and I appreciate all of you for working together as a team. We have excelled in every initiative that we undertook and we have stood together in facing the challenges in realizing quality education.

I am sure, it is just a beginning and there is lot more to be done. Enjoy every moment you had in this institute because in life there are no rewinds only flashbacks. For you we have worked hard to bring up an exhilarating flashback of the events and achievements of the institute during the session 2018-19. Once again, I wish all our students and faculty a successful and rewarding year ahead.
