reflecting memories

*e-Newsletter, Issue 4<sup>th</sup>,  
March 2020- March 2021*

## Principal's Message

**“Success comes to those who work hard and stays with those who don’t rest on the laurels of the past”**

It is with great pleasure and pride that we present before you SSDWIT Exclusive, the fourth issue of talk BACK. This newsletter will guide you on the college's path to excellence where we are scaling newer heights and breaking records. These achievements are a reflection of the institution's philosophy of holistic development of the students who are well equipped to adapt to the changing global scenario and take on its challenges. SSDWIT has made its mark not only in academia but also in cultural arenas, sports and community outreach. We believe in empowering our students in such a manner that they act as representatives of a meaningful and value-based society.

Our pedagogy which is holistic and comprehensive complements this. We have a team of fabulous management members who display boundless energy and intense commitment which keeps the ethos of our institute shining brightly. In the midst of a global Covid-19 pandemic, when physical mode of classes was shifted to virtual mode, the creativity and relentless determination of our hardworking teachers made this happen. We had to adapt new strategies to help our students combat this daunting challenge in their lives. I am proud to say that we as an institution stepped forward in unity and determination to ensure that our strong foundations of education prevail upon crossing all the barriers and we have emerged stronger than ever from this world crisis. We also believe that every student is special in her own way and each must be nurtured with great love and care. Regardless of difficult times, we believe in the purity of education through our motto.

I also appreciate our editorial team for their untiring efforts during such a tough pandemic period for bringing this issue of newsletter. I am also confident that our journey of excellence will be an enriching experience for all. I invite you to experience this journey with me through the following pages, a reflection of the accolades and achievements of the institute over the last year. With warm wishes and God blessings

**Dr. Neeru Garg**  
Principal  
SSDWIT, Bathinda
